The LA County Department of Public Health Tobacco Control & Prevention Program in collaboration with the LA County Department of Mental Health and Public Health's Alcohol and Drug Program Administration, are hosting a FREE two-day training to teach others how to lead a peer-to-peer quit smoking program.

Are you a former smoker or a non smoker who would like to help others quit their tobacco addiction? If you did smoke, have you been smoke-free for at least one month? Are you a peer advocate or counselor working with mental health consumers or people with substance use issues? Would you like to help others lead healthier lives, too? If you answered yes to all the above questions, come join us!

For more information, please call (213) 351-7880 or visit online at: <http://publichealth.lacounty.gov/tob>. Registration forms must be emailed to rtyree@ph.lacounty.gov or faxed to (213) 351-2710 by **November 20, 2009**.
