

Los Angeles County Department of Public Health
VETERINARY PUBLIC HEALTH PROGRAM

REPORTING ANIMAL DISEASES/DEATHS

Always report as soon as possible:

- Occurrence of any unusual disease
- Outbreak or cluster (3 or more cases) of animal disease/deaths of any cause
- Animal illness concurrent with human illness
- Disease not endemic to area
- Illness in animal recently imported from another country

Urgency Reporting Requirements

☎ = Report **immediately** by telephone

☒ = Report within **1 working day** of identification

⌚ = Report within **7 calendar days** from time of identification
